TUESDAY EVENING, JULY 12, 1904.

The fighting at Kaichou consisted of a series of skirmishes on July 7 and July 8, ending with the occupation of the town by General Oku's troops.

The Japanese began to push their advance north at dawn July 9 and since then they have proceeded steadily. They kept their artillery well to the front and shelled and occupied Pintzan, seven miles north of Kaichou at noon July 9. It is now reported that they July 9. It is now reported that they are in close touch with Ta Tche Kiao. General Oku is said to be wearing a

Chinese costume.

Japanese scouts are close to Yinkow. They can be seen on the neighboring hilltops, from which they occasionally fire upon the Russian outposts.

It is suspected in Washington that

the Japanese campaign in Manchuria and especially in the direction of Port Arthur, is approaching another one of such climaxes as marked the passage of the Yalu. Mr. Griscom, at Toko, has cabled the State Department as follows: "It is announced from headquarters

of the General Staff that foreign military attaches who have been assigned to ac company the second army may go to the front on the 20th inst; press corre-

spondents a day later."

It is recalled that the Japanese general staft have permitted the newspaper correspondents and attaches to come to the front at such moments as initiated. the delivery of a great and carefully planned blow against the enemy.

That Thobbing Headache.

Would quickly leave you if you used Dr. King's New Life Pills. Thousards of sufferers have proved their matchless merit for Sick and Nervous Headnehes. They make pure blood and build up your health. Only 25c, money back if not cured. Sold by E. S. Leadbeater & Sons, druggists.

Triumphs of Modern Surgery. Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed en-tirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them heal without maturation and in one third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by Richard Gibson and W. F. JAPANESE PUSHING ON,
Japanese vessels have been seen off Kaichou. It is believed that they are keeping in touch with 'be advance of the land forces and that if the Japanese take Ta Tche Kiao, which is understood to be 'beir objective, it is thought that a landing will be made simultaneously at Yinkow.

The fighting at Kaichou consisted of a series of skirmishes on July 7 and July 8, ending with the occupation of the town by General Oku's troops.

Luxuriantly.

Kair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively destroy the germ is Newbro's Herpicide—absclutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists.
